THE
DILUTORZ

Band Bio

What began as a one-off Christmas show has evolved over a decade into the Dilutorz, a multinational Swiss cover band delivering rock, pop, funk, soul, and hip-hop with unrelenting energy in the space where backstage adrenaline meets spotlight and performers and audience breathe as one.

Key Facts

Essential information about The Dilutorz

Location

Based in Zurich, the Dilutorz perform across various cities, bringing their unique sound to both local venues and international events, enhancing the cultural scene with vibrant performances.

Genres

Like biting into a Swiss praline, each Dilutorz performance offers layers: the crunch of rock, the smoothness of soul, the sweet hit of pop, all wrapped in funk and hip hop's addictive groove.

Experience

The Dilutorz have spent a decade mastering the art of the party. From intimate celebrations to large-scale events, delivering the energy and professionalism that turns good nights into unforgettable ones.

Repertoire Highlights

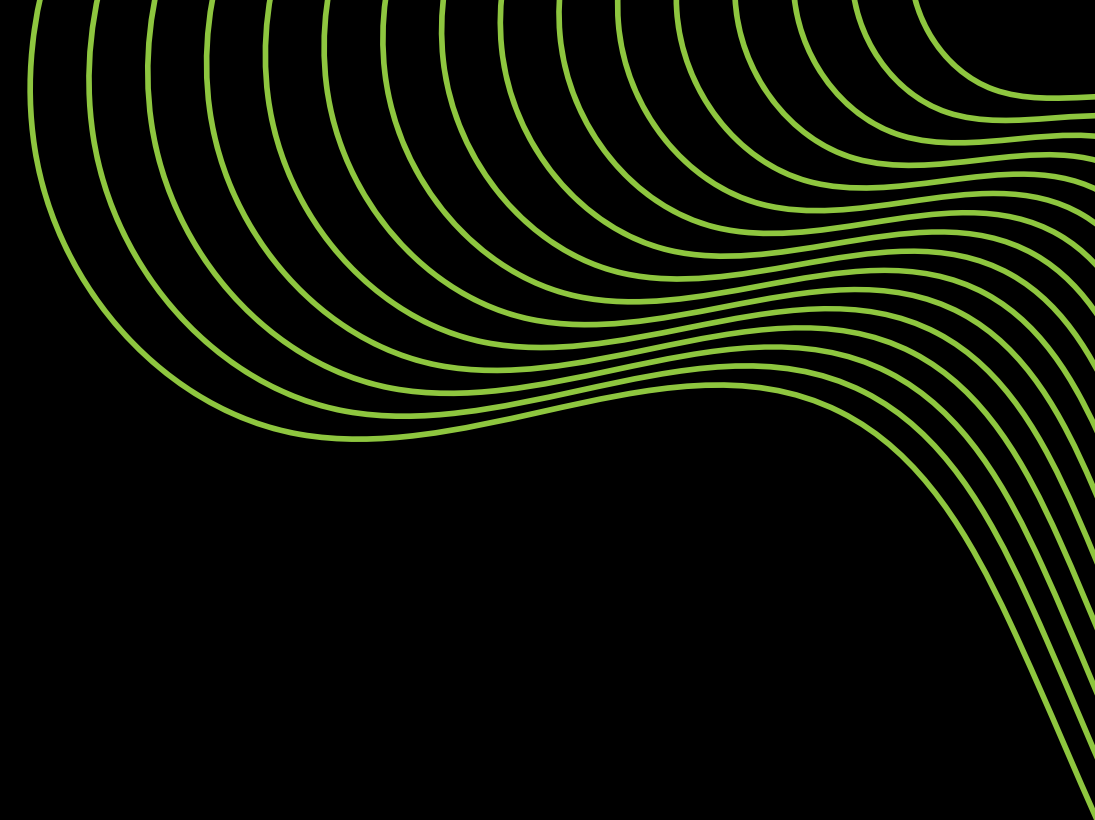

Diverse Song Selection

Classic Hits

The Dilutorz don't just cover classics, they reignite them. Whether it's the raw energy of Nirvana, the funk of Uptown Funk, or the soul of Black Pumas, every song becomes a moment audiences remember long after the last note.

Crowd Favorites

Their setlist moves seamlessly from U2's anthemic drive to Eminem's determination ('Lose Yourself'), from Adele's soul to Billie Eilish's darkness, proof that great songs share DNA, regardless of decade or genre.

Past Performances

Corporate Events

Switzerland, Germany, Austria

Energized corporate parties, both indoors and open-air, turning gatherings into celebrations all remember.

Trade Show Events

USA

Performances that bridge professional polish with authentic entertainment.

Beer Festivals

Switzerland

Singalong sessions where strangers became chorus.

Private Parties

Switzerland

Soundtrack to life's most personal moments, making intimate gatherings feel extraordinary.

Studio Recordings

Germany, Switzerland

Beyond live performance, they have captured their sound in the studio, creating epic recordings.
